

Stakeholder Notification/Public Notice

The land trust accreditation program recognizes land conservation organizations that meet national quality standards for protecting important natural places and working lands forever. Mid-Michigan Land Conservancy is pleased to announce it is applying for accreditation. A public comment period is now open.

The Land Trust Accreditation Commission, an independent program of the Land Trust Alliance, conducts an extensive review of each applicant's policies and programs. The Board of the Mid-Michigan Conservancy is excited about growing our organization and welcomes this external review to help ensure that we meet and exceed the highest quality standards to protect the conservation of land in the seven counties in Mid-Michigan.

The Commission invites public input and accepts signed, written comments on pending applications. Comments must relate to how Mid-Michigan Land Conservancy complies with national quality standards. These standards address the ethical and technical operation of a land trust. For the full list of standards see <http://www.landtrustaccreditation.org/help-and-resources/indicator-practices>.
